PROFESSIONAL SUMMARY

Virtual Assistant and customer support professional with experience in technical support, research, data entry, personal assistance, retail operations, and social media support. Known for organized work, clear communication, practical problem solving, and adapting quickly to changing priorities. Experienced in customer-facing support as well as behind-the-scenes tasks that help teams stay efficient.

CORE SKILLS

Virtual Assistance • Customer Service • Data Entry • Lead Research • Technical Support • Email & Calendar Support • Online Research • Social Media Support • Content Research • Workflow Organization • Microsoft Office • Google Workspace • Canva • Problem Solving

SELECTED FREELANCE PROJECTS

Marketing & Social Media Support | **Worldschooling Programs** | Remote 2026 - Present

- Research program topics and prepare clear, natural Facebook content for Worldschooling Netherlands and Worldschooling Bansko.
- Review client photo libraries, select relevant visuals for each post, and organize working files in Google Drive for review and approval.
- Support the publishing workflow by tracking posts, preparing attention questions, and checking facts, wording, and image matches before content goes live.

Branding & Business Content Project | **N&M Catering Service & Rentals** | Philippines 2026

- Organized business information and developed coordinated brand concepts, menu materials, service information, and event-rental visuals.
- Helped turn scattered service and menu details into cleaner, easier-to-read public-facing materials with a consistent visual direction.

PROFESSIONAL EXPERIENCE

Virtual Assistant / Data Entry | **iBenzer** | Remote Apr 2023 - Jun 2023

- Researched U.S. schools state by state and built organized lead lists with location, public contact information, school details, and leadership contacts.
- Identified CTOs and IT Directors as more relevant technology decision-makers and adjusted the research approach to improve lead quality.
- Completed work planned for roughly six months in about 2.5 months while keeping records organized and usable for the sales team.

Retail Sales Associate / Deputy Supervisor | **Total Nutrition Corporation** Jan 2022 - Feb 2023

- Supported retail sales and served in a deputy supervisor role.

Customer Service Representative | **ePerformax - PayPal** | Roxas City Nov 2018 - Dec 2019

- Handled product-specific customer concerns, disputes and claims, and account limitations.

Personal Assistant | **Cheoul Chul** Jul 2015 - Apr 2018

- Prepared itineraries, booked flights, scheduled daily activities, and coordinated transportation and other travel logistics.
- Managed guest baggage and meal planning, including checking food preferences and allergies.

Technical Support Representative | **TeleTech Philippines** Apr 2014 - Oct 2014

- Provided technical support and helped customers troubleshoot service and device-related issues.
